Off Road Rides

Contact

Off-road riding is more demanding than road riding. Stamina-wise assume each mile off-road is very roughly equivalent to two on-road; even more if it's very muddy. Some routes are more technical (narrow single-track, very rocky, steep ups or downs, steps etc) than others. Some rides are explicitly declared as "not suitable for beginners". Other rides are explicitly declared as "beginners welcome": these are particularly suitable to riders who have not ridden with us before to help you gauge and improve your stamina and bike control and to give you a feel of our benchmarks.

If you have any questions, please phone up the ride leaders or Andrew Heaton (North Hants CTC off-road ride co-ordinator on 01256 782467) beforehand. **For Email updates register with Andrew Heaton.**
