Saturday Rides

Rides start from Alton Community Centre (CC) unless otherwise stated. The rides' coordinator is Janice Montgomerie 01420 80783 jlm49email-ciclista@yahoo.co.uk
There is a moderate paced ride each week.

On the first Saturday of each month there will be an additional faster-paced ride which hopefully will accommodate the varying cycling speeds of the riders who come out. Both rides will be led and will leave at the same time from Alton Community Centre, so at the start you can decide which ride to go on. A up to 40 miles, B up to 30 miles.

Sunday Rides

Rides start from the Butts (AB) unless otherwise stated. Two rides, a mid paced (13 - 15 mph), marked (M) and a faster (16+ mph), marked (F) leave the Butts at 9:00am and usually have the same coffee and pub lunch stops. If you are a Sunday virgin give Andy a call as the rides can be subject to change. The rides coordinator is Andy Watson 01264 736459 andrew.w.watson@btopenworld.com

Please note other start locations or times in bold

In the event of poor weather, please ring the ride leader to check if the ride is taking place.

A free tea is offered to all new riders on their first outing on any ride. If there is no tea stop then eligible riders can be offered a 'tea credit'.

Off Road Rides

Andrew Heaton 01256 782467
andrew.heaton@uk.thalesgroup.com

Off-road riding is more demanding than road riding. Stamina-wise assume each mile off-road is very roughly equivalent to two on-road; even more if it's very muddy. Some routes are more technical (narrow single-track, very rocky, steep ups or downs, steps etc) than others. Some rides are explicitly declared as "not suitable for beginners". Other rides are explicitly declared as "beginners welcome": these are particularly suitable to riders who have not ridden with us before to help you gauge and improve your stamina and bike control and to give you a feel of our benchmarks.

If you have any questions, please phone up the ride leaders or Andrew Heaton (CTC North Hampshire off-road ride co-ordinator on 01256 782467) beforehand. **For Email updates register with Andrew Heaton.**
